

NorthWestern Energy Rebates

Residential Lighting Rebates

Category	Item	Rebate	Qualification
Holiday & Night Lighting	LED Holiday String Lights	\$2.00/string	None
	Electroluminescent Nightlight	\$1.50/unit	None
	LED Nightlight (0.6 W)	\$1.00/unit	None
Outdoor Lighting Controls	Outdoor Lighting Timer	\$5.00/unit	Must control 120 W or more
	Outdoor Motion Sensor	\$12.50/unit	Must control 120 W or more
Indoor Lighting Controls	Dimmer Switch (Hard-wired)	\$7.50/unit	Existing construction only, must control 120 W or more

Residential Electric – Existing Home Program Incentives

Category	Item	Rebate	Qualification
Heating & Cooling	Heat Pump Water Heater	\$3,000/unit & install	Existing electric water heater, Tier 3 & Tier 4 HPWHs
	Ground Source Heat Pump	\$2,500/unit	Min. 17.1 EER, 3.6 COP, ENERGY STAR
	Air Source Heat Pump	\$150/ton	ENERGY STAR, Min. 16 SEER, 9.0 HSPF
	Electric Furnace with ECM	\$100/unit	Must have ECM, ENERGY STAR
Thermostats & Air Quality	Programmable Thermostat	\$55/unit	Must have Electric Space Heating
	WiFi Thermostat	\$85/unit	Must have Electric Space Heating
	Air Purifier (ENERGY STAR)	\$100/unit	Must be ENERGY STAR
Water Heating & Plumbing	Water Heater Insulating Tank Wrap	\$15/tank	Must have Electric Water Heating
	Water Heater Thermostat Setback	\$15/unit	Initial temp. 130°F, setback to 120°F
	Low Flow Showerhead	\$45/unit	Must have Electric Water Heating
	Kitchen Faucet Aerators	\$5/unit	Must have Electric Water Heating
Windows & Insulation	Storm Windows	\$4.50/sq. foot	Existing single-pane windows, Electric Space Heating
	Window Shade Film	\$0.35/sq. foot	Central Cooling System, SHGC ≤ 0.35

	Insulation (Walls, Basement, Crawlspace, Slab)	\$0.10-\$0.50/sq. foot	Must have Electric Space Heating See fig 2
	Duct Sealing	\$250/system	Must seal all ducts, Electric Space Heating
Appliances & Electronics	Clothes Washer	\$25/unit	ENERGY STAR
	Clothes Dryer	\$25/unit	ENERGY STAR
	Room Air Conditioner	\$10/unit	ENERGY STAR
	Smart Strip Surge Protector	\$12.50/unit	Must be a Smart Surge Protector
	Printer	\$0.50/unit	None
	Desktop Computer	\$6/unit	None
	Notebook Computer	\$0.50/unit	None
Pool & Spa Equipment	Dual Speed Pool Pump Motor	\$60/motor	Min. 1 HP
	Variable Speed Pool Pump Motor	\$100/motor	Min. 1 HP
Miscellaneous	Oxygen Concentrator	\$65/unit	Non-Leased Equipment
	Furnace Whistle	\$0.50/unit	None
	Clothesline	\$0.50/foot	Min. 35 feet

Residential Natural Gas Equipment Incentives

Category	Item	Rebate	Qualification
Heating Equipment	High Efficiency Condensing Boiler	\$700/unit	AFUE ≥ 90%, replaces AFUE ≤ 82% boiler
	High Efficiency Furnace	\$425/unit	AFUE ≥ 90%, replaces AFUE ≤ 80% furnace
	High Efficiency Gas Room Heater	\$175/unit	AFUE ≥ 90%, replaces AFUE ≤ 75% room heater, No Vent Free Heaters
	High Efficiency Pool/Spa Heating Boiler	\$550/unit	AFUE ≥ 90%, replaces AFUE ≤ 82% boiler
Thermostats & Controls	Programmable or Wi-Fi Thermostat	\$50/unit	Max. 1 per account
Insulation & Sealing	Insulation (Walls, Basement, Crawlspace, Slab)	\$0.10-\$0.50/sq. foot	Must have Natural Gas Space Heating See fig 1
	Boiler Pipe Insulation	\$1.00/linear foot	R-0 Existing to R-3 Minimum, First 6' of Pipe or Pipe in Unheated Space
	Hot Water Pipe Insulation	\$1.00/linear foot	R-0 Existing to R-3 Minimum, First 6' of Pipe or Pipe in Unheated Space
	Hot Water Tank Insulation	\$7.00/tank wrap	R-0 Existing to R-11 Minimum
Water Conservation	Low Flow Showerhead (1.5 GPM)	\$20/unit	Max. 2 per account, 1.5 GPM Max, WaterSense

	Low Flow Showerhead (2.0 GPM)	\$10/unit	Max. 2 per account, 2.0 GPM Max, WaterSense
Weatherization & Efficiency	Outlet Gaskets/Switch Plate Covers	\$0.40/cover	Switch Plate/Outlet Gasket Cover on Exterior Walls, Min. 10 per Home
	Residential Foam Sealant	\$5/can	Max. 2 cans per home

Natural Gas Heated Home Insulation Rebates (fig 1)

Incentive Amounts Effective July 1, 2024 - June 30, 2025			
Efficiency Opportunities	Incentive Amount Per		Qualifications
Attic/Ceiling Insulation	\$0.45	Sq. Foot	R-11 Existing to R-49 Minimum
	\$0.55	Sq. Foot	R-0 Existing to R-49 Minimum
Basement Wall Insulation	\$0.60	Sq. Foot	R-0 Existing to R-19 Minimum Includes rim joist insulation
Crawlspace Wall Insulation	\$0.60	Sq. Foot	R-0 Existing to R-19 Minimum Includes rim joist insulation
Floor Insulation	\$0.55	Sq. Foot	R-0 Existing to R-19 Minimum Above unconditioned space only
	\$0.85	Sq. Foot	R-0 Existing to R-30 Minimum Above unconditioned space only
	\$0.95	Sq. Foot	R-0 Existing to R-38 Minimum Above unconditioned space only

Electrically Heated Home Insulation Rebates (fig 2)

Efficiency Opportunities	Incentive Amount Per		Qualifications
Space Heating Insulation For assistance in determining existing insulation levels in your home, please call (800) 823-5995			
Exterior Wall Insulation* (Wall Above Grade)	\$0.30	Sq. Foot	R-0 Existing to R-19 Minimum. Must Have Electric Space Heating
	\$0.35	Sq. Foot	R-0 Existing to R-23 Minimum. Must Have Electric Space Heating
	\$0.40	Sq. Foot	R-0 Existing to R-29 Minimum. Must Have Electric Space Heating
Basement Wall Insulation*	\$0.10	Sq. Foot	R-0 Existing to R-10 Minimum (includes rim joist) Must Have Electric Space Heating
Crawlspace Wall Insulation*	\$0.10	Sq. Foot	R-0 Existing to R-10 Minimum. (includes rim joist) Must Have Electric Space Heating
Slab Insulation*	\$0.50	Sq. Foot	R-0 Existing to R-15 Minimum. Must Have Electric Space Heating
Duct Sealing	\$250.00	System	No Existing Sealing. Must Seal All Ducts. Must Have Electric Space Heating

*R-0 = No Insulation (Removal of existing insulation does not qualify)
