

Thank you for your interest in supporting the second annual 2026 Western Aquatic Invasive Species (AIS) Short Course! This annual course provides a vital bridge between landowners, aquatics professionals, researchers, and aquatics managers. It would not be possible without the financial support of your organization!

The following information contains sponsorship opportunities to support the Western AIS Short Course. If you have any questions, please contact Clarissa Orton (contact below) for more information.

---

## SPONSORSHIP TIERS

<b>Sponsorship Levels &amp; Benefits</b>	<b>Platinum \$2,500</b>	<b>Gold \$1,000</b>	<b>Silver \$500</b>	<b>Bronze \$250</b>
Table and poster	✓	✓	✓
