Missoula County 4-H by the Numbers

Stats

In 2017, there are **410 Youth** from Missoula County enrolled in 4-H. Participants are **63% Female** and **37% Male**. In school, **40%** are in **Grades K-5**, **29%** are in **Middle School** and **31%** are in **High School**. Members live all over the County: **29%** live on **Farms**, **34%** live in **Towns** under 50K, **22%** live in the **Suburbs** and **15%** live in the **City**.

“Because of 4-H...

...I have grown from a kid who needed my parents to do things for me, to someone who can take care of the ranch chores on my own while my parents are away.”

...I am a much more productive person.”

...I have learned the importance of hard work and perseverance.”

...I learned to be a leader, to help others and to better myself as an individual.”

“4-H helped me decide upon my career choice and gave me the inspiration and confidence to pursue it.”

Excerpts from Missoula County Senior 4-H Member Scholarship applications.
