

Montana Master Gardener Level 1 Online Class Series

The Montana Master Gardener Level 1 class series is moving online for your learning enjoyment! The online learning modules are now offered as a self-paced virtual class through the Ravalli County and Missoula County Extension Offices.

Course starts October 1st, 2020. Approximately 16 hours of online modules will be available to Master Gardener Level 1 class participants.

In addition to the online modules, County Extension offices will be hosting a series of optional field trips and additional lecture experiences for those enrolled in classes.

Signing up:

Contact the Missoula County office for registration. Class portal will open for participants on October 1st

Class Pricing:

\$80- class registration fee (includes a copy of the MT Master Gardener Handbook)
\$20- online Brightspace user registration fee
